Type of research  
Example: Librarian, Professional, Journalist/Video/Code, Story

Subscriber (optional)

Location

Duration

Stage

Success Statement

## Ideation

Who used the tool?

Who created the tool?

First GenAI use

Middle GenAI use

Final Result

Intended consequences of this use.

Possible unintended consequences of this use.

## Research

Who used the tool?

Who created the tool?

First GenAI use

Middle GenAI use

Final Result

Intended consequences of this use.

Possible unintended consequences of this use.

## Create

Who used the tool?

Who created the tool?

First GenAI use

Middle GenAI use

Final Result

Intended consequences of this use.

Possible unintended consequences of this use.

## Test

Who used the tool?

Who created the tool?

First GenAI use

Middle GenAI use

Final Result

Intended consequences of this use.

Possible unintended consequences of this use.
